17.09.20

Dear Parent/Carer,

At Thorntree Academy, we have devised a Remote Learning Plan to support pupils and parents/carers at home should they or their children need to self-isolate. On our school website (www.thorntreeschool.co.uk/home-learning/), there is a specific section for each year group to be able to access work and resources.

The Oak National Academy

The Oak National Academy is a national resource where children can access recorded lessons from home. Our year group pages will be updated directing you to certain aspects and tasks on the website.

Dedicated School Website Pages

On each year group page, there are dedicated links to mathematical and reading activities. These are tasks such as Reading Plus or Oxford Owl as well as links to different stories being read out online for the children's enjoyment. These pages will be updated regularly.

School Apps and Logins

Your child will be given a login for the Apps they have access to in school. These are age dependent and not all children will access all Apps. All children from Y1-Y6 have access to Times Tables Rock Stars and Sumdog. Children in Nursery-Year 2 have access to Oxford Owl Reading whilst children in Y3-6 have access to Reading Plus.

Remote Learning Books

To allow us to continue to monitor children's progress, it is vital that a record of the work is kept of the work they complete at home. All tasks and activities should be recorded in the remote learning book provided and be returned to school once the period of absence is over. As always, we are here to support you and your children in their education and will keep you updated with future plans regarding remote learning.

Should you need any further information, please do not hesitate to contact the school on 01642 242309 or email us at thorntree@thorntreeacademy.org.uk and a member of our team will get back to you.

Kind Regards

Mrs Nelson
