

## Consent for Use of Digital Photographs & Video Images

The use of digital photographs and video images plays an important part in learning activities. Pupils and members of staff may use technology to record evidence of activities in lessons both in and out of school. These images may then be used in presentations in subsequent lessons.

Further to this, images may additionally be used to celebrate success through publication in newsletters, on the school website and via school social media feeds. Occasionally, external agencies will include pupils in promotions through public media.

School complies with the Data Protection Act and we request permission before taking images of your child during school related activities. We will ensure that when images are published of your child that they cannot be identified by the use of their names.

In accordance with guidance from the Information Commissioner's Office, parents / carers are welcome to take videos and digital images of their children at school events for their own personal use (as such use is not covered by the Data Protection Act). To respect everyone's privacy and in some cases protection, these images should not be published or made publicly available on social networking sites or such, nor should parents / carers comment on any activities involving other pupils in the digital or video images.

Parents / carers kindly requested to sign and return the permission form attached to allow the school to take and use images of their children.
