

As everyone is aware, this year has not been without it's challenges due to the pandemic. I would like to express my thanks and gratitude for your understanding and patience throughout the school year. Let's hope September sees a return to more normal routines! Wendy Nelson, Headteacher

Help us to Stop the Spread of COVID-19

As the final easing of lockdown has been delayed, we must continue to do all we can to prevent the spread of Covid-19. National guidance must be followed and preventative measures continue to put into place.

It is also important that, as a community, we continue to help each other. Therefore, please can we remind you **that face coverings must be worn on school grounds at all times**, unless you are exempt for medical reasons.

The education of our children must remain our priority, attendance at school is vital for their learning and development.

Thank you for your continued support.

End of Term Arrangements

- Regrettably due to the Covid-19 restrictions not being removed we will be unable to provide nursery lunchtime taster sessions. We will ensure extra staff are in the dining hall in September to support the children who are new to Reception. We will also be sending out information booklets before the end of term and we hope to hold a parent information event in September.
- Sadly, parents and carers will not be invited to sports day this year. School will be providing a sports day style event for children. This will be organised in the children's bubble groups following Covid-19 risk assessment guidelines. Regular posts will be made on our Twitter page for you to enjoy!
- Transition won't be taking place in the usual way. Rest assured your child will get the opportunity to meet their new teacher before we close for the summer break.
- A Year 6 leavers event will be held on the evening of Thursday 15th July. A letter detailing this event will be sent to parents/carers of children in Year 6.
